THE 1965 SQUIB
SHELBYVILLE SENIOR HIGH SCHOOL
SHELBYVILLE, INDIANA

Destinies Unlimited

Another academic year brings us a step closer to our future training, jobs, and way of life. During the course of this year the administrative personnel, the faculty, and the students have worked together to bring about a determination to make our world a better place in which to live.

The place, the people, and the events are all a part of our school associations, so we will bring these segments together in this year's *Squib*. The changing times have brought improvements in our *Squib*: more pictures, and larger dimensions. We hope that in the years to come this yearbook will serve as a record of the many wonderful memories of the high school year, 1964-65.

Students Show Excellence in

LORD MAYOR

Dan Karnowsky was selected as Lord Mayor for 1964-65 school year. The winner of this award is the boy who has the highest cumulative average in his four years of high school. Dan is taking a college prep course planning to attend Wabash College in the fall.

VESTAVIA AWARD AND D.A.R. GOOD CITIZEN

Janet Grigsby is the 1964-65 Vestavia Award winner. The award is given to the girl with the highest cumulative average. Janet was also the recipient of the D.A.R. Good Citizen Award, which is given annually to a senior girl elected from her class.

SUMMER INSTITUTE

During the summer, between the junior and senior years, many colleges and universities sponsor summer workshops. Boys' and Girls' States are held at Indiana University. Other academic workshops are held at Butler University. Indiana University and Ball State conduct practical workshops in journalism and art.

Also the State Sunshine Camp at Tecumseh, Indiana was attended by two S.H.S. girls. A representative from Shelby County was sent to learn more about Red Cross work at the University of Miami in Oxford, Ohio.

a Wide Variety of Fields

PITTSBURG PLATEGLASS QUALIFIERS

Every year the Pittsburgh Plateglass Company sponsors a scholarship for those seniors who have made high scores on the National Merit Scholarship Qualifying Test. This year, five Shelbyville High School seniors qualified for the P.P.G. Scholarship. They were Sylvia Cook, Mike Chafee, Dan Karnowsky, Morris Lewellyn, and Bill Thompson. Along with other finalists from other county schools, these students were interviewed by a P.P.G. board of judges for a winner.

WORLD AFFAIRS INSTITUTE

The Rotary Club sends four seniors to the World Affairs Institute in Cincinnati, Ohio, each year. The institute offers students from Indiana, Kentucky, Ohio, and West Virginia a wide variety of films, speakers, and discussions to help them learn more about the problems of today's world. The main topic for discussion this year was United States-French relations. Mr. Melvin Davies, the faculty sponsor, accompanied the representatives—David Ryan, Rosie Thieman, Ken Lane, and Manarda Payne.

PROM

"Carrousel," the theme of the 1964 prom, set a gay atmosphere for Juniors and Seniors. A revolving crimson and pink carrousel in the center of the dance floor was the main attraction at the Prom. One side of the gym was devoted to a typical French side-walk cafe. Adding color to the thrilling affair were multi-colored balloons over the entrance and tiny paper rose buds in gaily decorated flower carts. The table decorations consisted of small merry-go-rounds with tiny ponies.

The prom-decoration committee, headed by Keith Patterson, created a memorable evening for all juniors and seniors attending the 1964 Prom. The crowning of Miss Judy Haas as queen of the prom by junior class president, Don Wilson, was the highlight of the evening. Miss Haas, accompanied by her court composed of Jane Cord and Michele Dellekamp with their escorts, Chris Rehme, Bob Chambers, and Wayne Kinnick led the Grand March.

Japanese Theme Sets the Mood for the '65 Prom

The Paul Cross Gym was transformed into a Japanese Scene for the 1965 Jr.-Sr. Prom. One of the main attractions of the prom was a picturesque pagoda. The entrance was converted into a fountain and fish net was draped along the wall to create a bit of oriental atmosphere. The Harold Scott Dance Band provided the music for the festive occasion. A Japanese mural added the finishing touches to a wonderful evening of dancing.

The 1964-65 Prom Court consisted of Rita Mitchell, Kathy Haas, and Linda Owens. Their escorts were Tim Joseph, Johnny Collins, and Stan Atkins.

MAY COURT

Judy Haas and Dan Karnowsky

Judy, vice president of the Future Nurses Club and Junior Prom Queen, enjoys Sunshine Society and Booster Club. Judy is enrolled in the St. Vincent's School of Nursing. Dan Karnowsky, Judy's escort is the 1965 Lord Mayor, participates in Forum Leadership, Robed Choir, Hi-Y, and Boys' Cheerblock. Dan is going to major in law at Wabash College.

Manarda Payne and Greg Hall

Manarda is known for her bright smile and pleasing personality. Working in the office and doing her shorthand seems to keep her very busy. Manarda is a member of Booster Club and Sunshine Society. She was also Fall Wind-Up Queen for 1964-65 school year. Greg Hall, Manarda's escort, is a member of the Boys' Glee Club, Concessions, Robed Choir and Show Group.

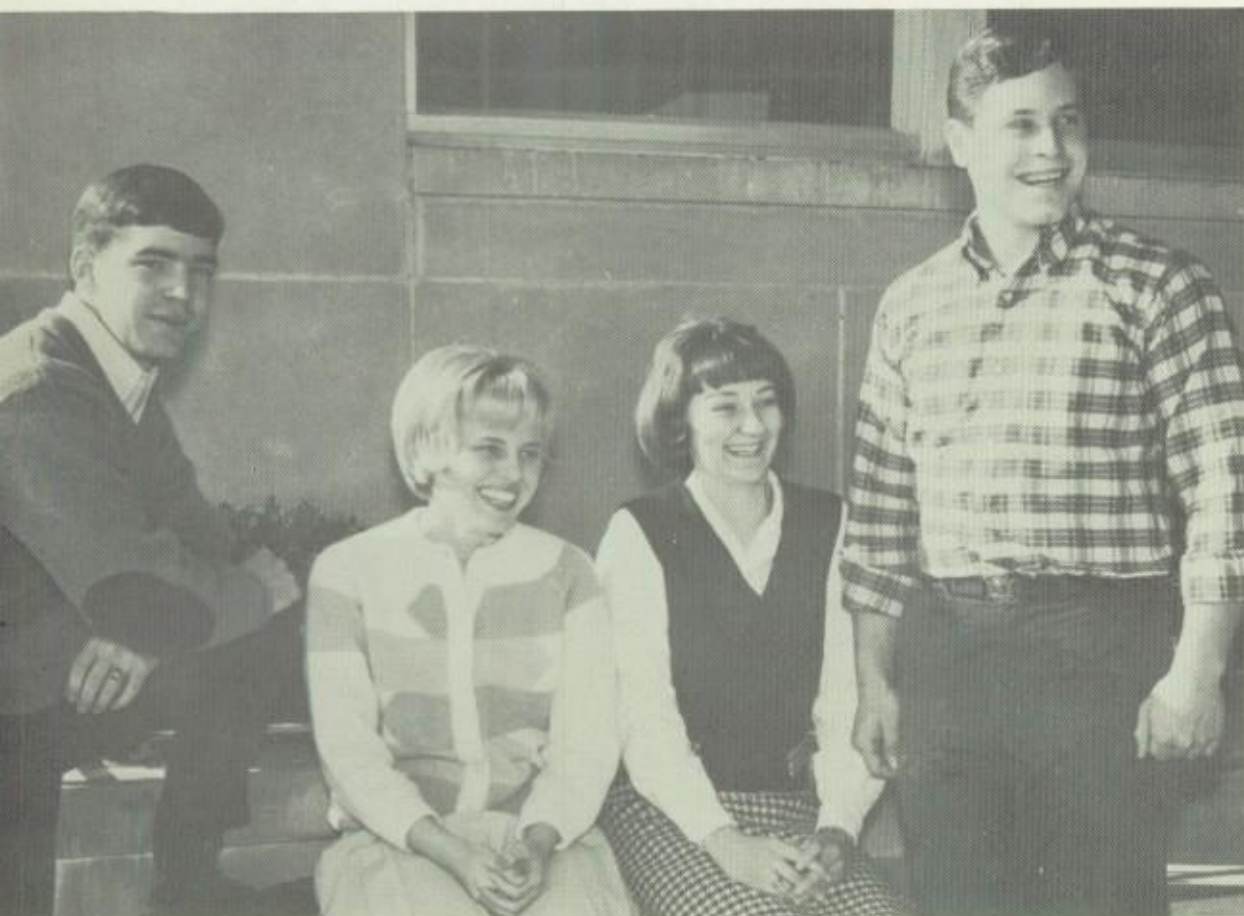

Michele Dellekamp and Earl Hites

Mickey, an S.H.S. drum majorette and a member of the Junior Prom Court, is a vivacious blonde. Being on the fall Wind-Up Court has prepared Mickey for the glorious night. Mickey has a winning smile and she belongs to Mask & Dagger, Future Nurses, Sunshine Society, and Honor Society. Mickey chose Earle Hites as her escort. Being a member of Boys' Cheerblock, Hi-Y, Concessions, and Science Club leaves him very little time to tinker with his '41 Chevy.

Loveliest Seven to Admiring Public

Nancy Coers and Dave Staats

Nancy's penetrating smile and bouncing personality have acquired much popularity for her. Nancy was captain of the Varsity Cheerleaders and a member of the Courier staff. Nancy plans to be a medical assistant. **Dave Staats**, Nancy's escort, is a great sport enthusiast. He was a member of the varsity football team and participates in S-Club, N.A.S.S., Boys' Cheerblock, and Hi-Y.

Shelby McRoberts and Mike Chafee

Shelby's out-going personality made her well known throughout the halls of S.H.S. Being interested in civic affairs, Shelby serves as sec-treas. of the Young Rep. Club. Shelby is a member of Sunshine Society, Booster Club, and Concessions. **Mike Chafee**, Shelby's virile-looking escort, enjoys sports of various kinds. Mike is a member of the varsity football team and was very active in Boys' Cheerblock, Robed Choir, and Science Club.

Janet Grigsby and Jerry Alexander

Janet is the editor of the Courier. She was the recipient of the D.A.R. Award and Vestavia Award. Janet participates in Booster Club, Forum and Honor Society. **Jerry Alexander**, Janet's escort for the special occasion, is the assistant editor of the Courier. Jerry is an accomplished golfer and a member of the Golf team. He has received a scholarship to DePauw University.

Sally Vaught and Wayne Kinnick

Being a varsity cheerleader has kept Sally very busy. Sally is a member of the Honor Society, Sunshine Society and Booster Club. She plans to attend Ball State in the fall. **Wayne Kinnick** is Sally's escort. He was a member of the Junior Prom Court, Hi-Y, and Boys' Cheerblock.

Leading Others

At the beginning of the second semester of the school year 1964-65, the Senior High witnessed a change in leadership. James M. Sharp, Shelby principal for 10½ years, resigned his position here to assume the responsibility of Superintendent of the Eastern School District. J. M. McKeand, formerly Senior High assistant principal, then stepped up to fill the empty post. We would like to thank Mr. Sharp for his years of service to us and also Mr. McKeand, whose guidance this past semester has been invaluable.

Good social studies program today —

Knock! Knock! Sorry Jim, seven minutes are up!

ADVANCED HISTORY

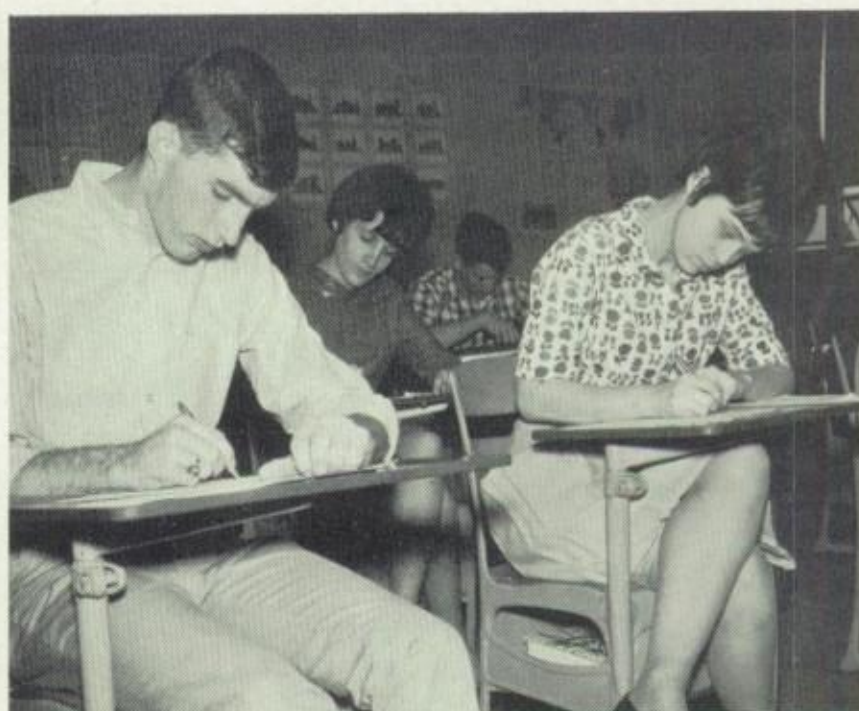

In its eighth year at S.H.S., this years advanced history class consisted of 28 juniors. The class was chosen on the basis of work and a desire to learn shown in the regular United States History classes taught during the first semester of the school year.

The advanced class, under the guidance of Mr. Ray Hinshaw, learned the art of taking notes, writing term papers, and giving oral reports. Objective and essay tests helped to prepare the students for future college classes.

Mr. Barnes, that's an American "dish," not an American problem.

good citizens tomorrow

Wonder how hard Jim Tobin, Anita James, and Georgann McCain studied for Mr. Coomer's government test?

If this is what college is like . . .

SOCIAL STUDIES

Sophomore history students study **The History of Our World**. They cover ancient, medieval, and modern history in the United States and European countries in detail.

American history is a required course for junior students. Much of their time is spent in memorizing parts of famous documents.

Government is required for graduation; however, seniors also have a choice of either American problems or economics. Senior students study present government systems and how to handle the problems of democracy in the future.

Mr. Barnett compares monocot with dicot stems.

Math and science

BAND-AIDS! BAND-AIDS! Where are they?

SCIENCE

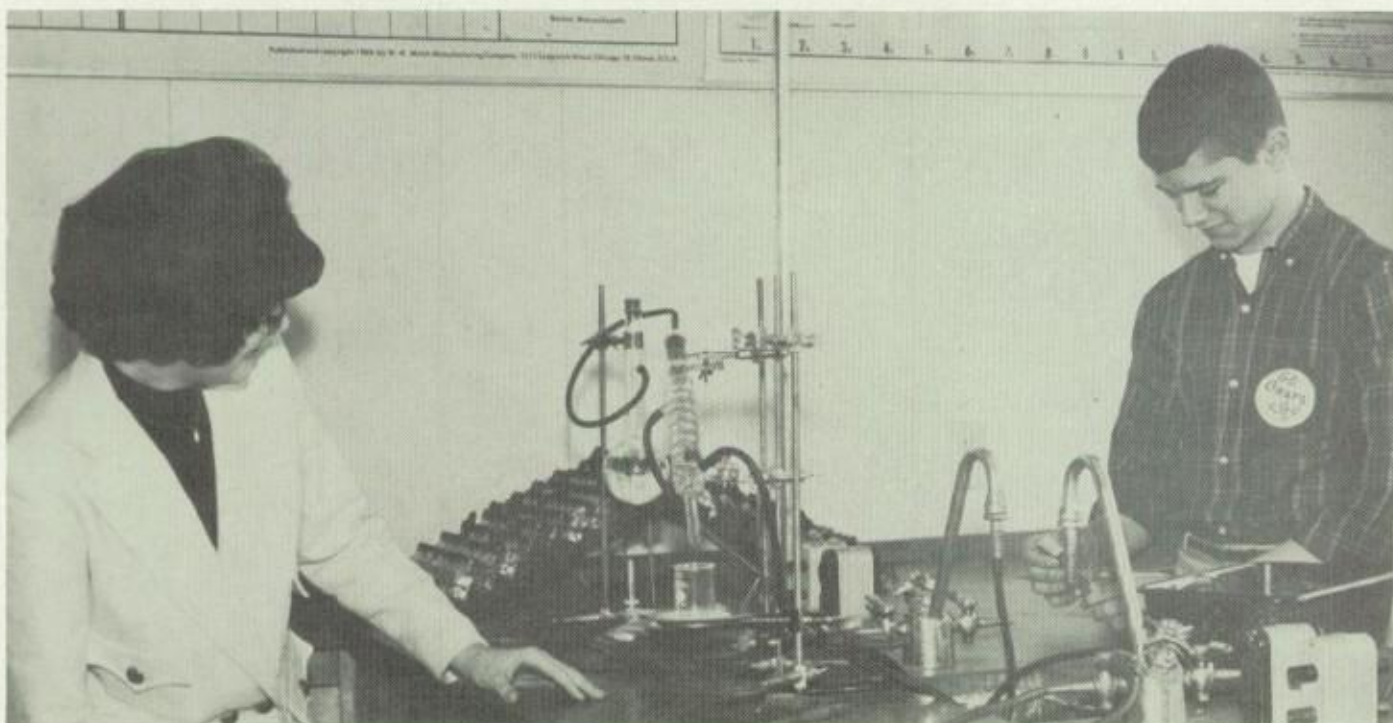

What often appeared to be the blood of our future physicists on Mr. McFerran's hands this year, was actually the smear from a red crayon used on his new lecture projector, the handy gadget that has saved so much valuable time in the classroom.

Why is it that the chem lab wafts more and more "perfume" through the halls every year? There were all sorts of nauseous descriptions for the gaseous products of the acid experiments this year.

Because of recent biological discoveries, the most notable being the DNA molecule, the sophomores had considerably more to learn in this course than the juniors and seniors did as tenth graders. Even so, dozens of new models, diagrams, and successful projects testify to their progress.

Greg Long and Sherry Graham are distilling what?!

curriculum- difficult but challenging

Introducing Mr. Higgins, the new algebra teacher.

Act like you know what you're doing! Mr. Beck's watching!

MATHEMATICS

Last September, SHS advanced math students got down to business right away with a seven-week crash course in solid geometry — they will always remember Mr. McKeand's skill at yardstick juggling — and finished the semester with trigonometry.

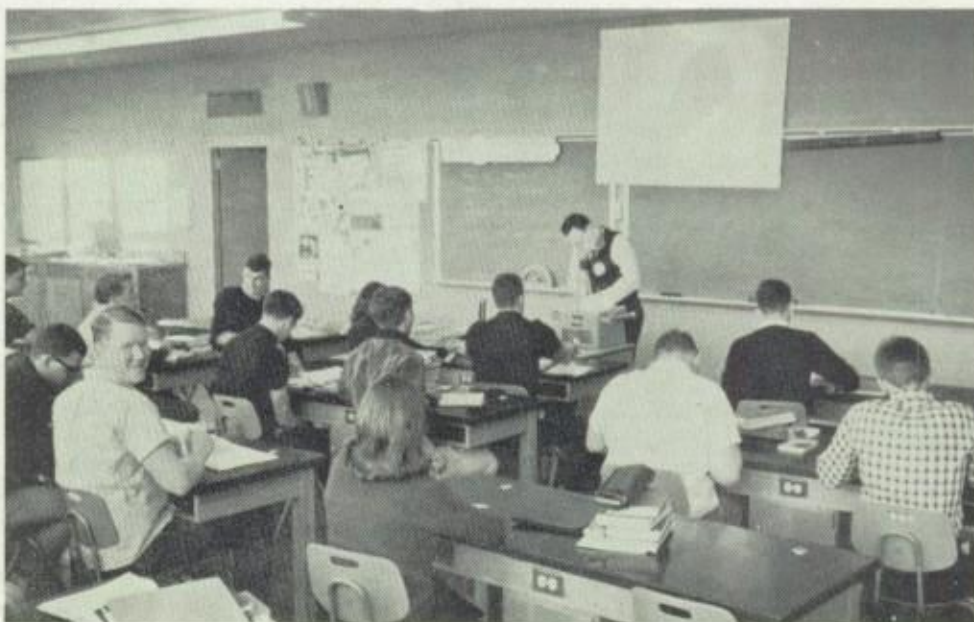

Mr. McFerran began the second semester with the study of analytic geometry and wound up the course with an introduction to calculus.

According to the algebra students, the chapter on probabilities, which dealt with gambling chances, was most interesting.

At semester break, Mr. Higgins came from the Junior High to take Mr. McFerran's place as algebra teacher.

Beginning with basic common sense postulates, geometry students are able to prove theorems helpful in working problems. The proofs involve a logical process known as "deductive reasoning," whereby a valid reason must be given for every statement.

We learn to express ourselves effectively

Mr. Coyner, you know you shouldn't sit on the furniture!

ENGLISH & SPEECH

In grammar and composition courses, students studied sentence content and form, expanded their vocabularies, and learned to use reference books. Writing skills were practiced through the construction of paragraphs, themes, and term papers.

Beginning speech gives a student the confidence needed in speaking before an audience. Students address imaginary audiences using speeches based on fictional "facts." Those studying advanced speech learn the basic fundamentals of the dramatics.

Advanced speech students practice radio techniques.

Mr. Coyner and Mrs. Pineiro compare French and Spanish tapes.

Leaping the Language Barrier

Brenda Butler and Karen Marshall wonder if the Romans really looked like this.

LANGUAGE

With the assistance and guidance of experienced teachers, students can learn the fundamentals of three foreign languages — French, Spanish, and Latin — and their own native language, English.

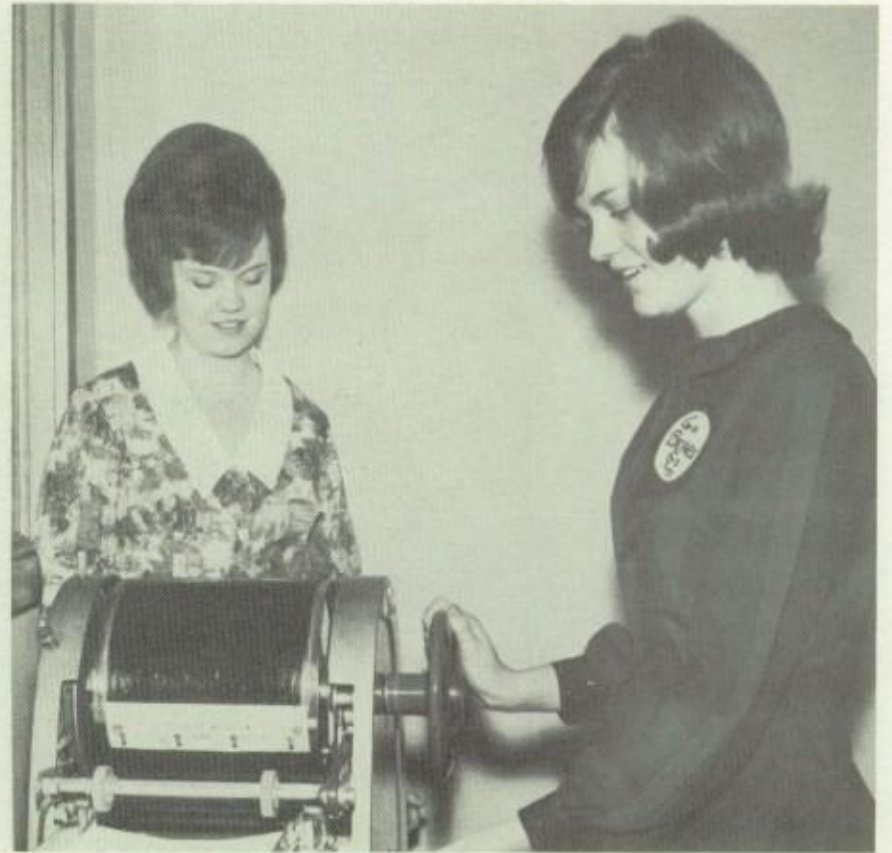

Latin students observed the Ides of March with a banquet served in true Roman styling. Each student created his or her own costume to represent one worn by the Romans.

In addition to regular classroom teaching techniques, French and Spanish students used the language laboratory in their studies of the languages.

COMMERCE

Under the guidance of expert teachers, commerce students learn the techniques of running a business office smoothly.

The first year typing and shorthand students learn the basic fundamentals, while the advanced students strive for speed and accuracy. During the second semester, advanced typing students are exposed to business machines, filing and the voice writer.

Advanced commerce students push for speed and accuracy when using business machines.

BUSINESS

Because efficient offices require their secretaries to have a thorough understanding of business procedures, courses in bookkeeping, letter writing, and business arithmetic are offered.

Shelbyville High School's reputation for training and supplying good office workers is well known in this area.

Mistakes! Mistakes! Whose paper is Mr. Linsmith grading?

prepare for future vocations

Cheryl LeClerc and Manarda Payne complete their commerce assignments.

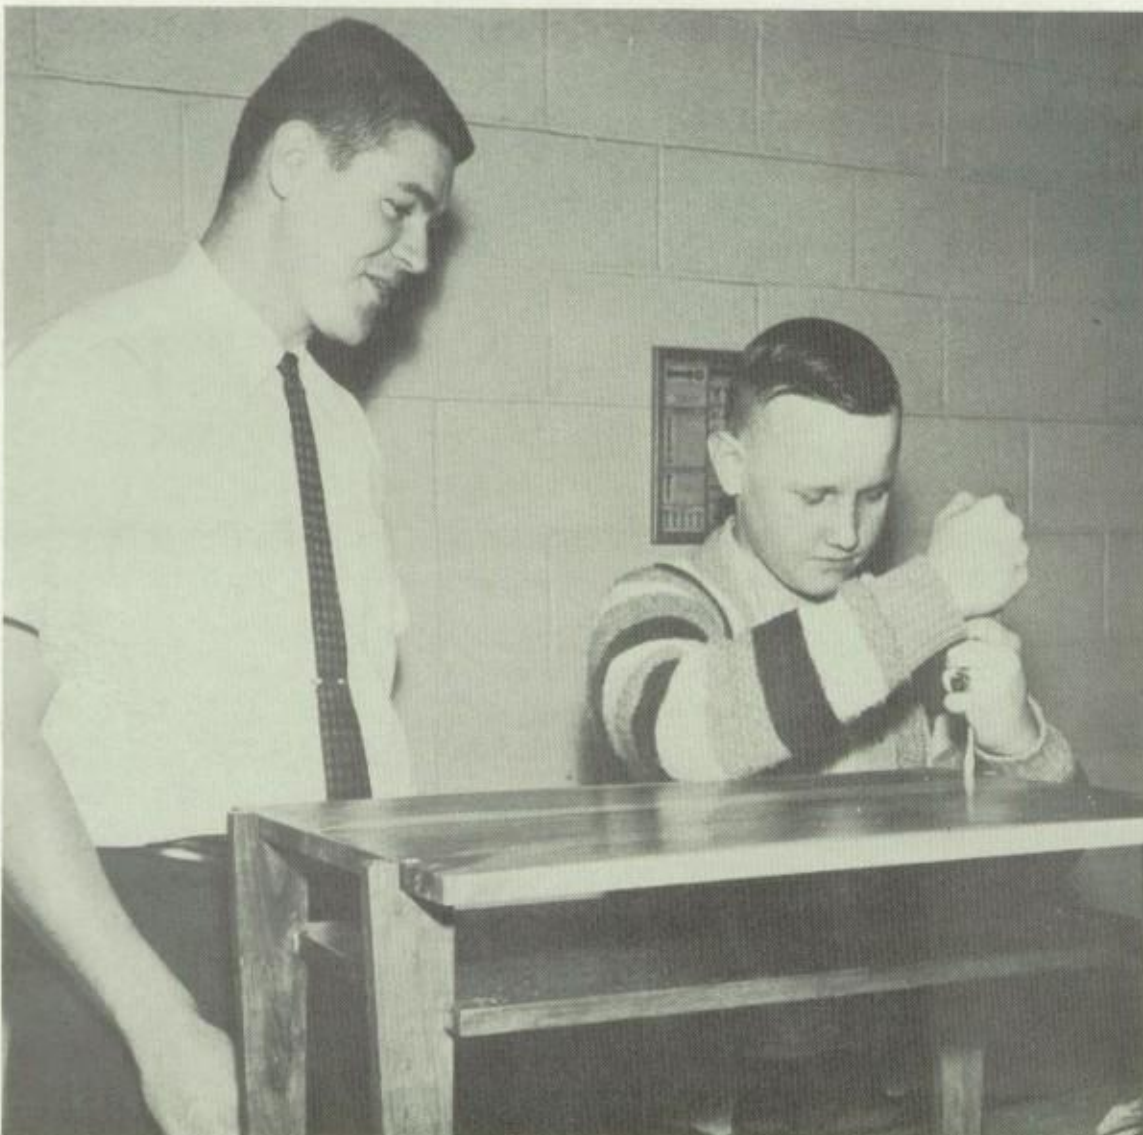

S.H.S. SHOPS

The industrial arts classes are by far the largest department at S.H.S. Not only do students acquire a knowledge in the operation of various tools and machines, but also in safety habits and methods of organization which might aid them in any vocation they may choose. These are the courses offered in industrial arts at S.H.S.: beginning shop, woodworking, mechanical drawing, architectural drawing, metal shop, and machine shop. They are taught by Melvin L. Davis and Richard L. Wilson.

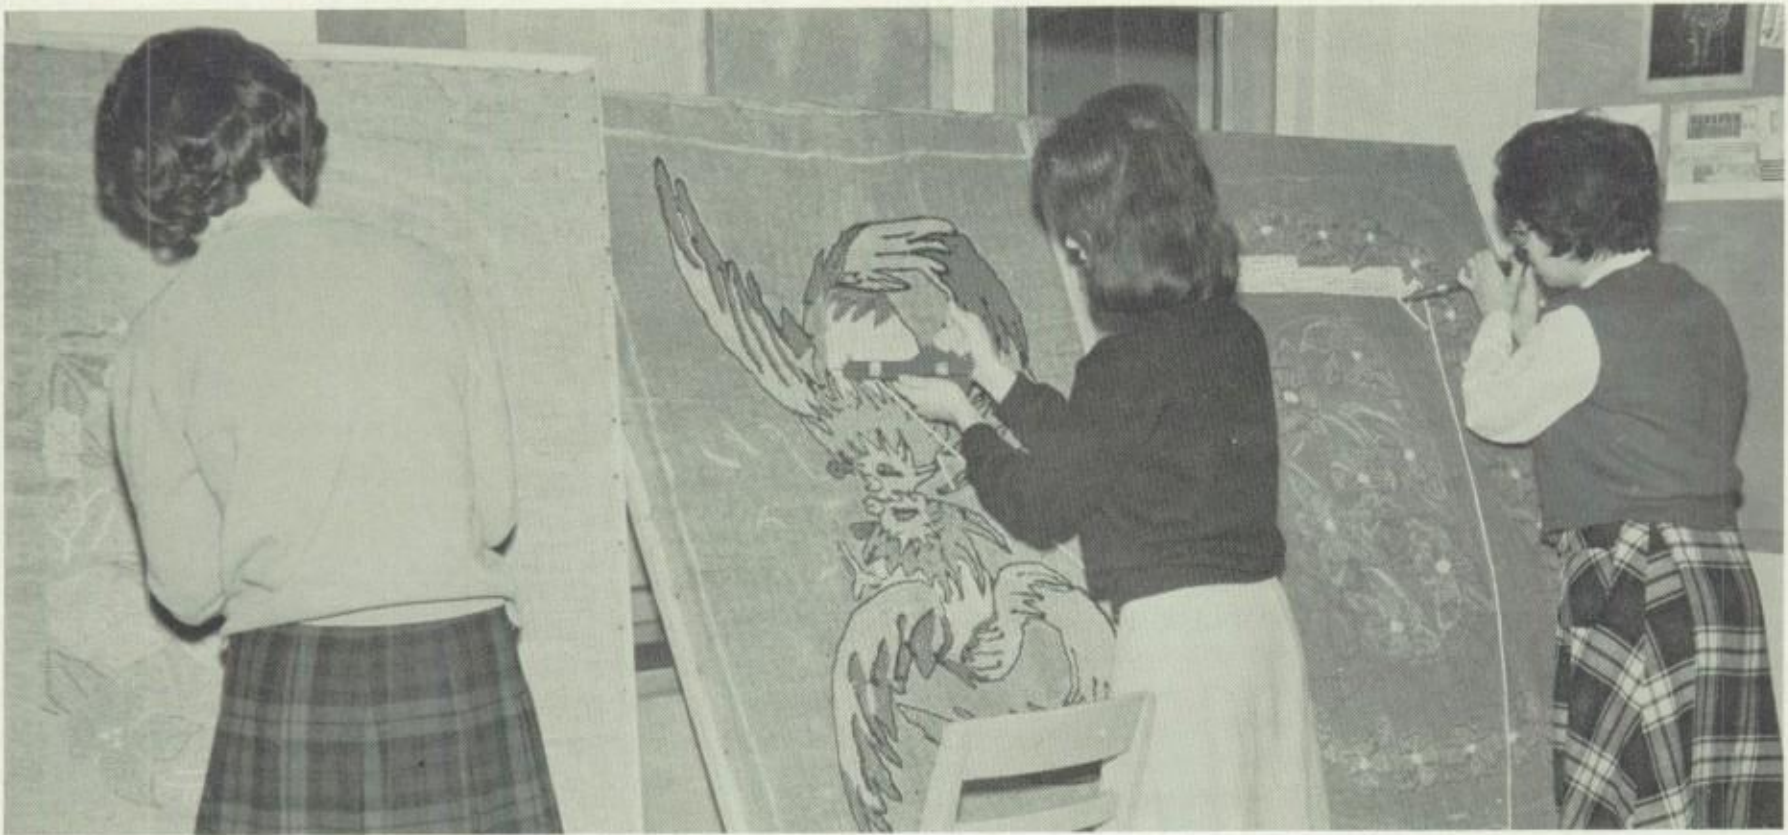

Bruce Thibo applies the finishing touches to his shop project.

Talented fingers produce works of art

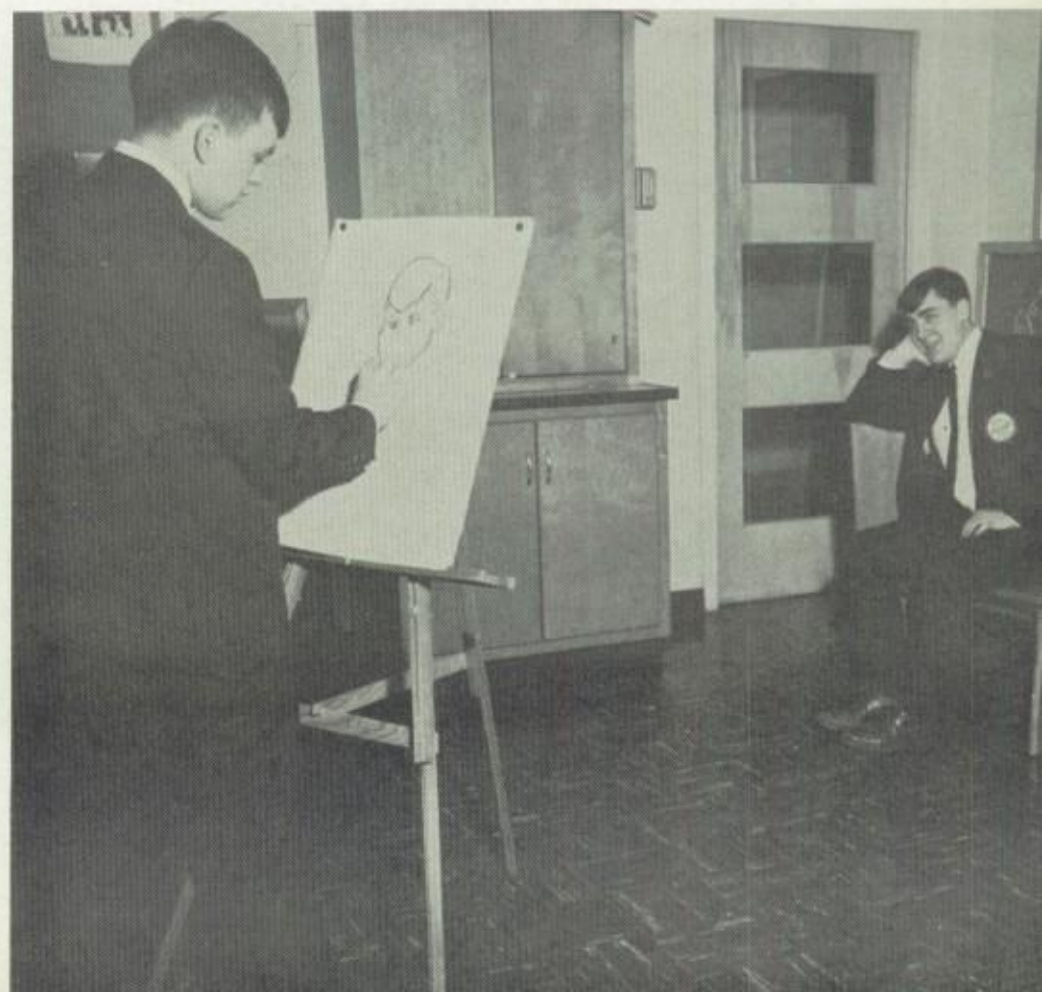

CREATIVE ABILITY GOES INTO ART PROJECTS

The art classes under the direction of Miss Lorena Williams are kept busy all through the year with various projects. These include putting together many displays which coincide with holidays and the seasons throughout the school year. Students also are given an opportunity to display artistic ability through some of their own work.

Music Department Proves Popular Place

MUSIC DEPARTMENTS AT S.H.S.

S.H.S. band and choir have more members this year than ever before. The band is under the direction of Mr. Gary Myers, a recent addition to the senior high faculty. Shelby "high-steppers" began their strenuous training on the football field and in the school parking lot early last summer.

Martin Schultz directs glee club, singing stars, show group, and choir. The first part of the school year, the vocal department prepares for its holiday programs, including the community sing, Sacred Concert, and other events.

Mr. Meyers has had a lot to do with the pride SHS'ers have in their band.

With Mike Yoder at the wheel, Mr. Blind, Ann Welch, and Mike Rukes prepare to leave the parking lot.

Educated Drivers Are Better Drivers

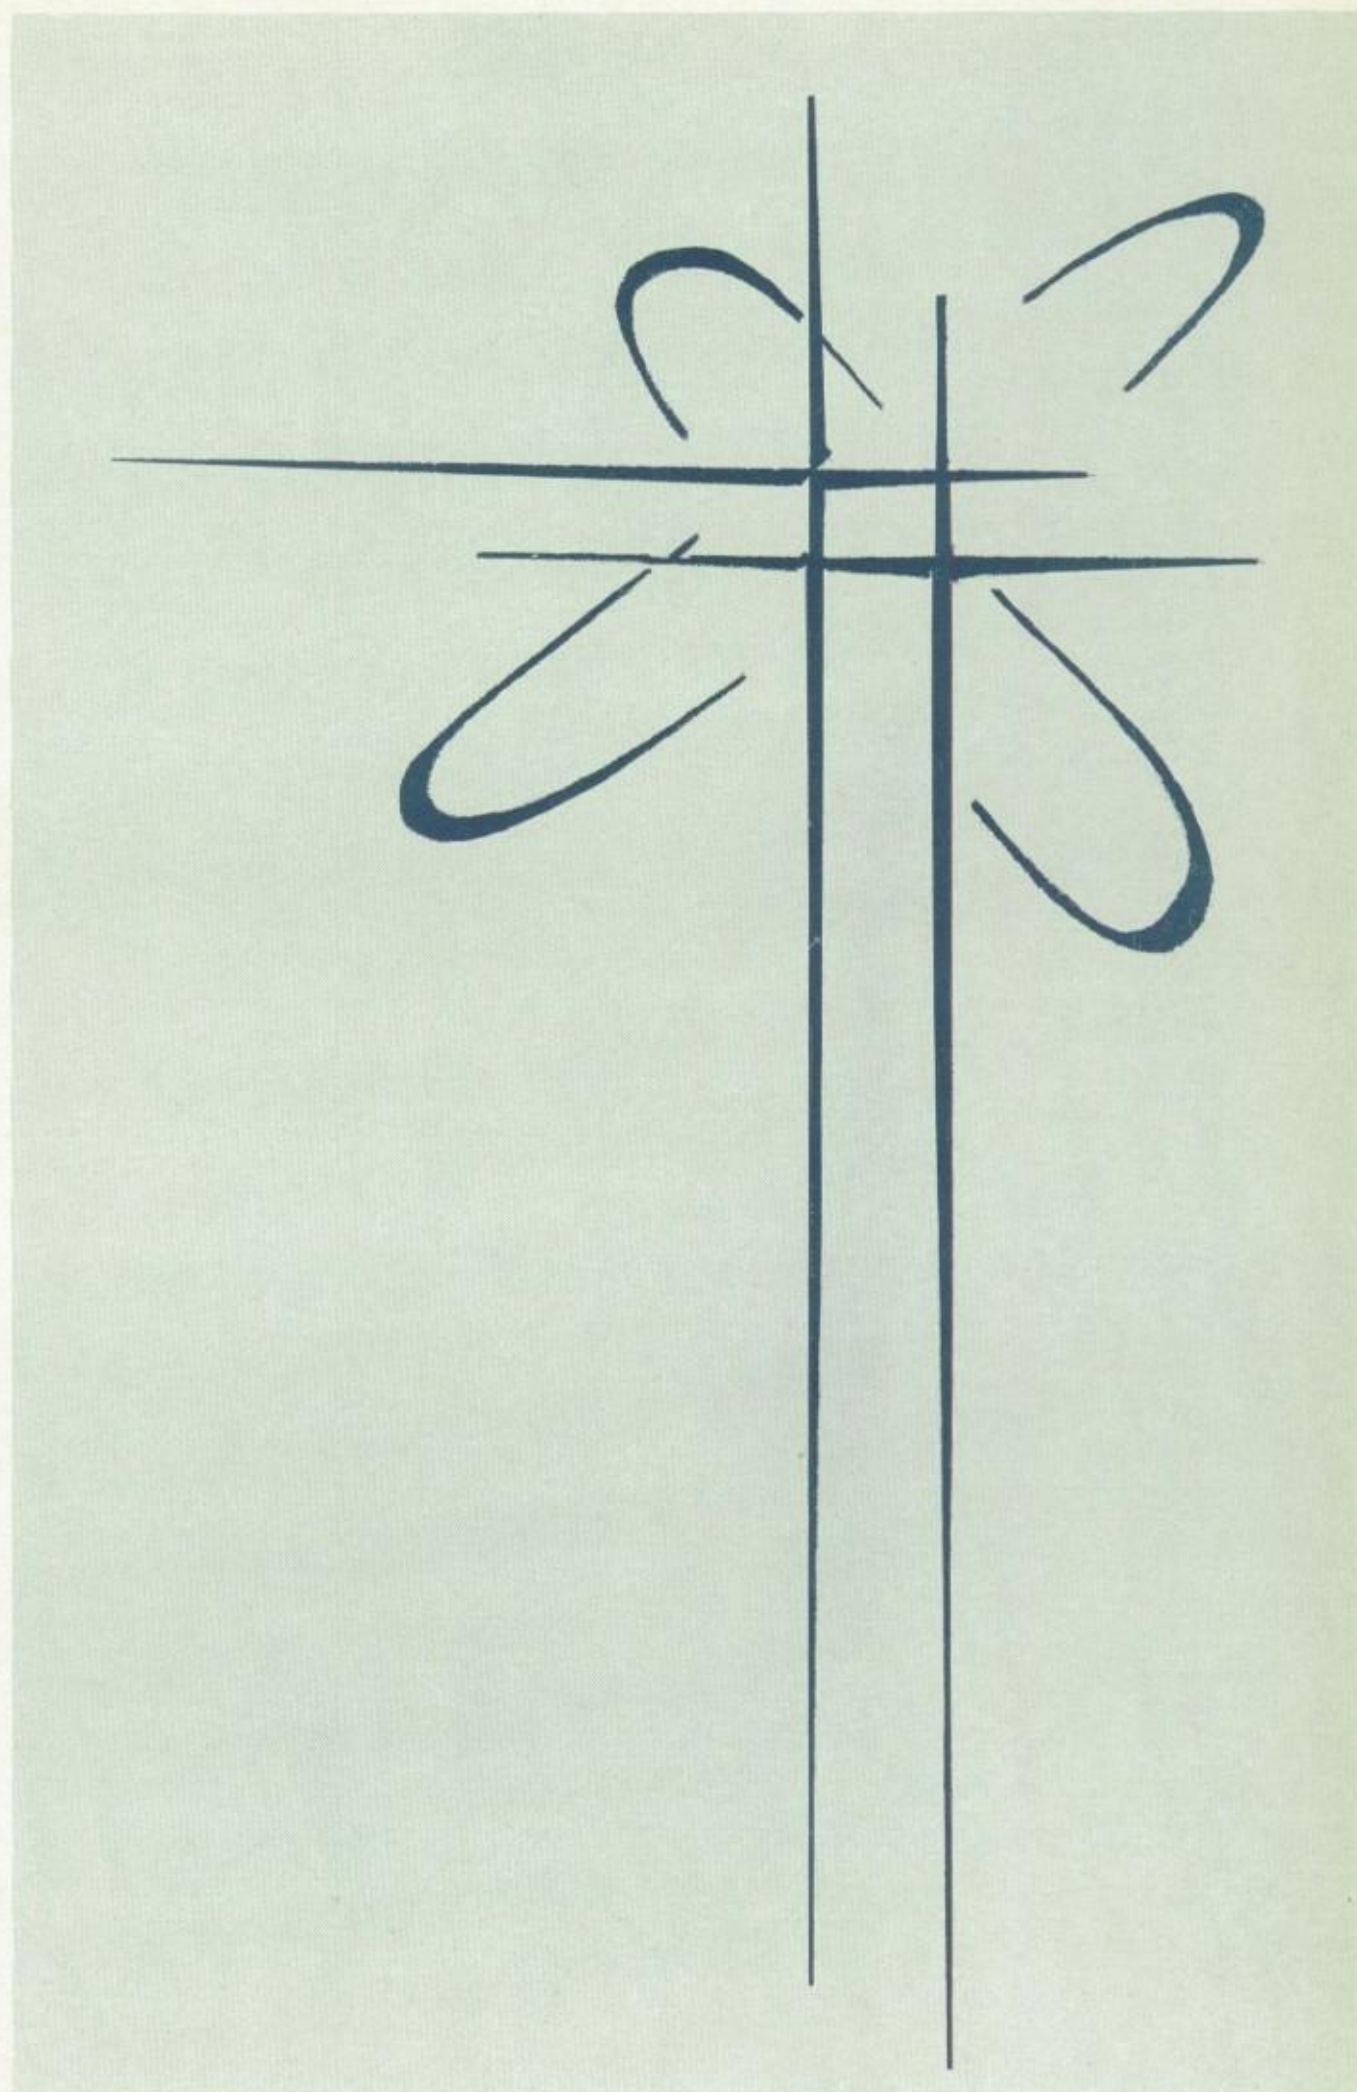

Bruce Oldham, Darla Ensminger, and Steve Davis study their Driver's Manual.

DRIVING

With an increasing number of cars on modern highways, the need for students to learn proper driving techniques is becoming more and more important each year. Through the week, students divide driving time with classroom work. In classrooms, they learn the fundamentals; on the streets, they put them into practice. Denny Blind must be one of the most patient men at S.H.S.

Classes

Senior class officers and sponsors are busy planning activities for senior week. Vice president Mike Cooper, secretary-treasurer Shelby McRoberts, president Keith Patterson, and sponsor John Coomer seem to like the ideas presented by sponsor Arthur Barnett.

Memories of This Year

Here it is 1965 and we seniors have found ourselves in a whirlwind of activities. There are many things to do, but in all the confusion we can still look back on our high school days and remember all the wonderful things that happened during our four years at SHS. We will never forget the excitement of cheering our Golden Bears on to victory at the 1962 Columbus Sectional. Another outstanding event of our high school days was our Junior-Senior Prom.

We have seen our school grow and expand its programs. Now we are aware of an even greater expansion to come, the addition of a new gymnasium with an auditorium and more class rooms. Among new clubs formed are the Latin Club, the French Club, the Spanish Club, and many others.

We have seen Mr. Sharp resign as principal of SHS to become Superintendent of the Eastern School District. Mr. McKeand has stepped up to fill the position left vacant by Mr. Sharp.

For many of us, this will be our last year of formal education; for others, college will follow next year. But whatever we do in the years to come, we will never forget the knowledge and experience we received during our high school years at Shelbyville Senior High.

Linda Knight and Vic Montgomery prepare for graduation as they purchase announcements and cards from Janie Bastin.

Nancy Bennett has to reach high to measure Terry Nicholson for his graduation gown.

JUNIOR CLASS SPONSORS AND OFFICERS — From left to right Mrs. Irene Simpson, Mr. Richard Wilson, Miss Lorena Williams, Mr. Jerry Higgins, Mrs. Rita Comstock, and Mr. Melvin Davies.

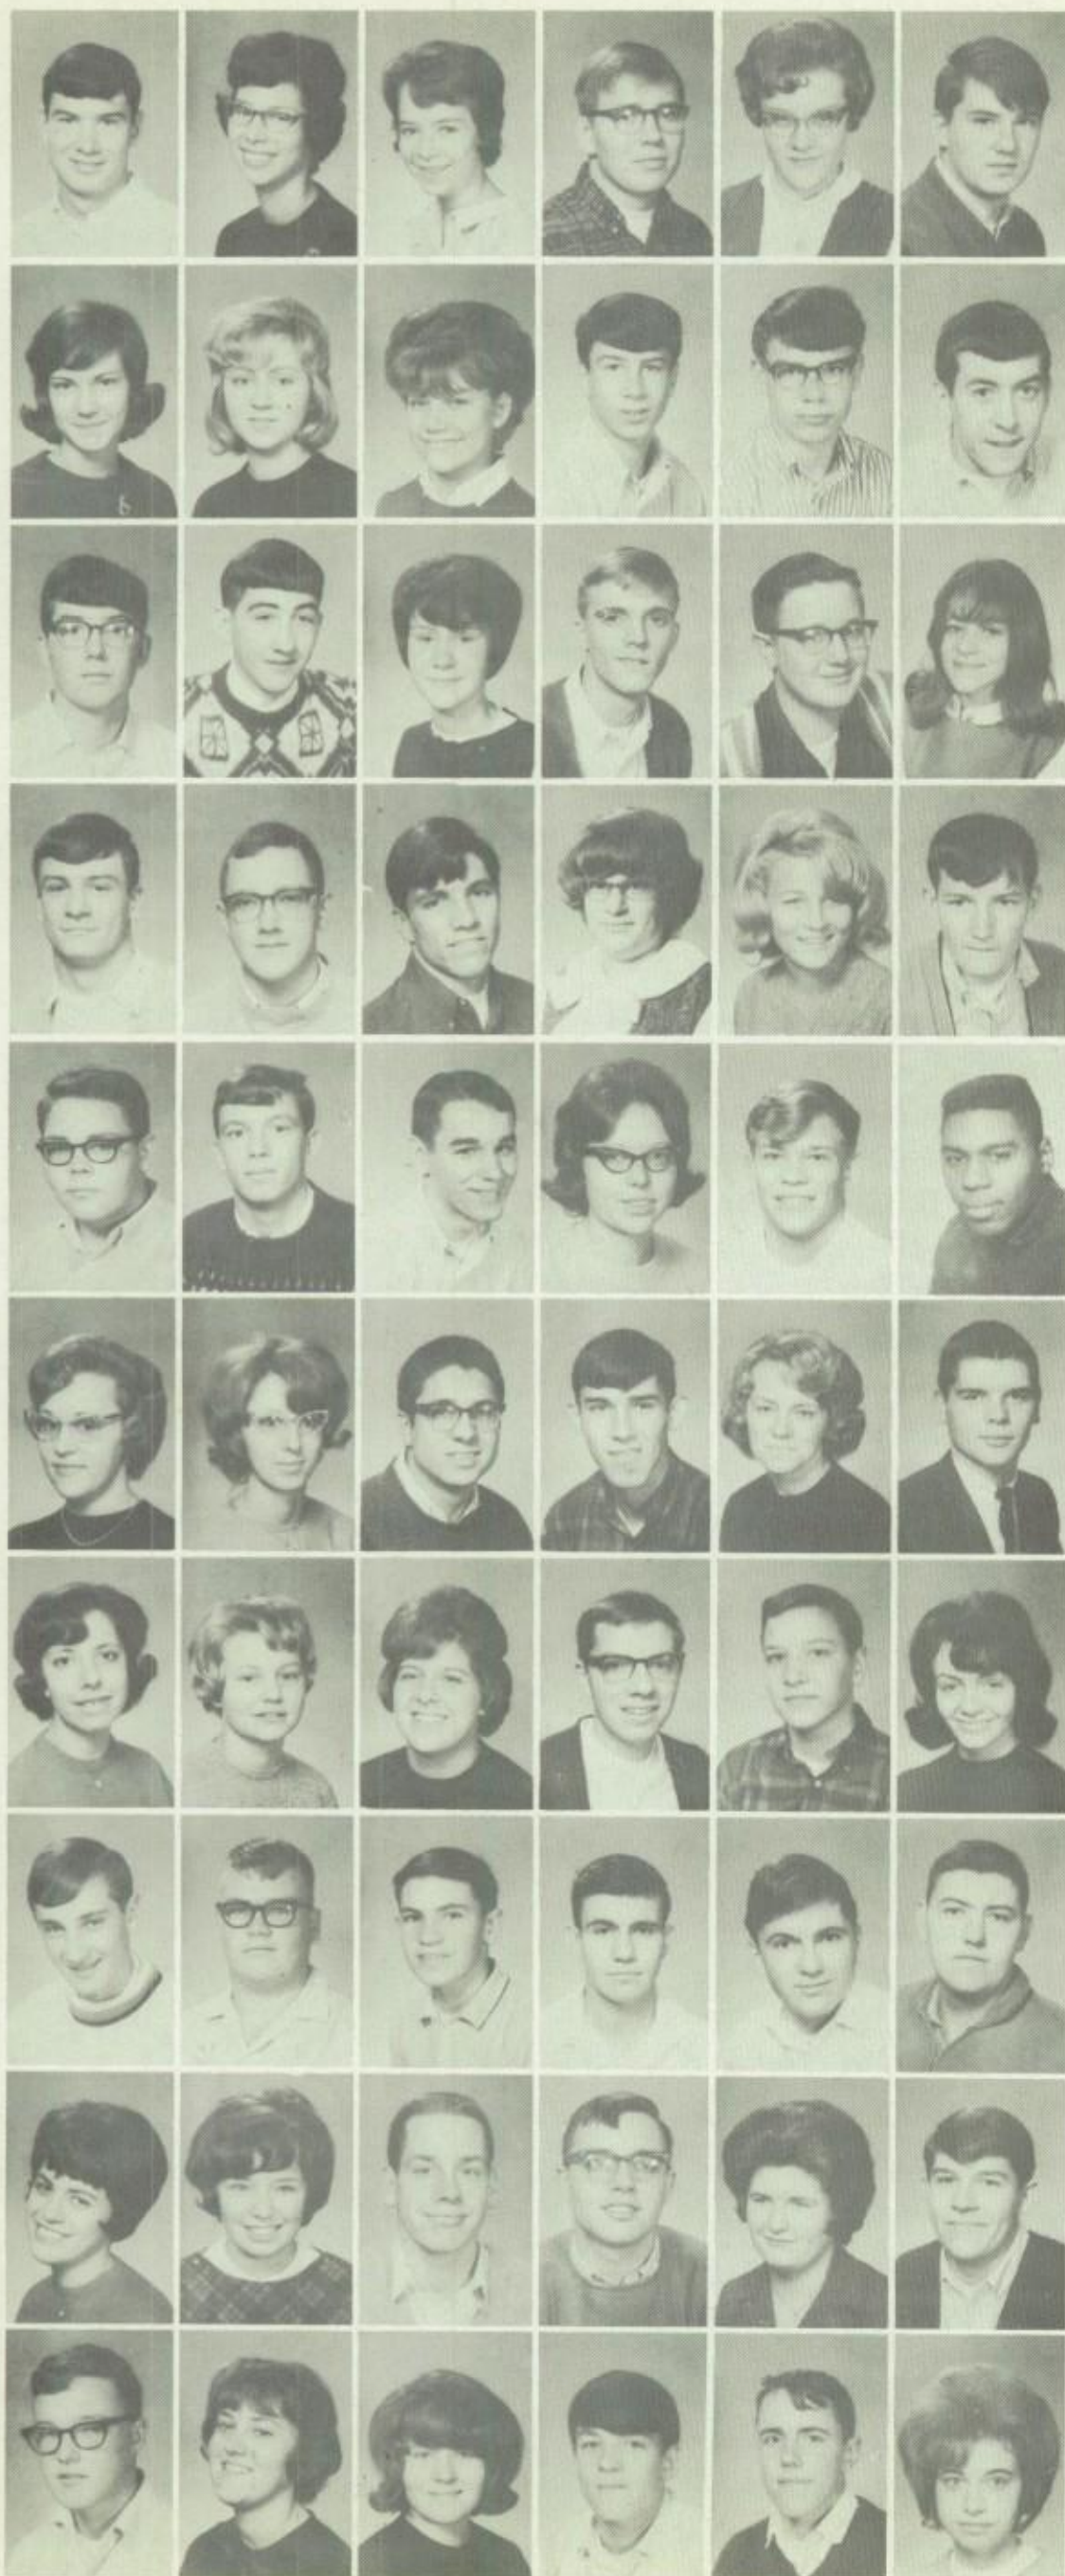

Dan McCabe, sec.-treasurer; John Hayes, president; and Jerry Bastin, vice-president.

Class of 1966

The junior class is the second largest at Shelbyville Senior High. During their junior year they take the National Merit Scholarship Qualifying Test and the Preliminary Scholastic Aptitude Test. The junior class takes on the responsibility of selling candy during their lunch hour to sponsor the Junior-Senior Prom. During the students junior year he becomes involved in the study of American History, American Literature, chemistry, advanced algebra, health, and additional electives.

Which One? Mr. Malcolm Clay assists three juniors in the selection of colleges.

These Juniors, now in the process of planning their own prom, got an early glimpse of hard work and fun that makes a memorable night, as sophomores John Hayes, Ruth Pritchard, Jere Gillis, Jerry Bastin, Jean Metz, and Dan McCabe served punch and cookies to promenading couples.

SOPHOMORE CLASS OFFICERS AND SPONSORS — Warren Krebs, president; Bill Haehl, vice-president; and Pam Beck, sec.-treasurer ask advice in selecting their class rings from Mr. Louis Kuhn and Mrs. Virginia S. Cedorholm.

Class of 1967

The sophomore class is the largest class at Shelbyville Senior High. Each year they have to go through the process of getting adjusted to the new routines and traditions of S.H.S. Sophomores choose their class rings in

the spring of the year and receive them during the summer vacation. During their sophomore year they are required to take biology, history, and English, besides choosing two electives.

Bears Show Great Improvement

RECORDS DON'T TELL THE WHOLE STORY

Although this year's football team had an 1-9 record, it was the hardest fighting team Shelbyville has seen in many a season. The fact that Shelbyville was outweighed by an average of 30 pounds per man by almost every team it played did not dampen the boys' fighting spirit.

Shelby gained their first victory of the season with a 37-14 win over the Connersville Spartans. Although the remainder of the season had its ups and downs, the boys displayed great drive and determination. Under the guidance of head coach, Robert Zimny, and with the assistance of Art Morgan and Eugene McNew, the boys practiced many hard and long hours.

RESERVE FOOTBALL

Reserve football is one of the most important assets to the varsity football team. Although the boys who played reserve ball see little or no varsity action, they receive much experience in their own reserve games. These reserve games are scheduled to be played before freshman games, and give the players a chance to correct their mistakes and improve their playing. Many of these boys will play on the varsity team next year and will get their long-awaited-for chance to show their ability.

Inspired Bears Have Better Season

BASKETBALL

Shelby's "basketeers" had their best season in years in compiling a record of 11 wins and 12 defeats. A late season sprint allowed the Bears to finish 6-3 in the S. C. C. which gave them a 3-way tie for second place along with Rushville and Seymour.

Some of the better games of the Bears were: The spanking of Franklin and Seymour, slipping past highly rated Rushville 60-58 in an overtime, and giving 8th ranked Elwood fits before bowing 79-67. The highlight of the season, however, came in the Columbus sectional when the spirited Bruins knocked off previously undefeated Triton Central to win in overtime. Shelby's fans can also be proud of having soundly beaten two teams that went to the semi-state: Bloomington and Seymour.

Reserve Team Spurs at Season's End

RESERVE BASKETBALL

The B team showed exceptional spirit and finished with a 9-9 record. Under the coaching of "Popeye" McNew, the team began to give an impressive show towards the end of the year, even though several of the members had become varsity players. It is probable that several of this year's reserve team members will be on next year's varsity. One of the most decisive games for the Cubs was a 20 point win over Elwood at the Paul Cross Gym on January 23.

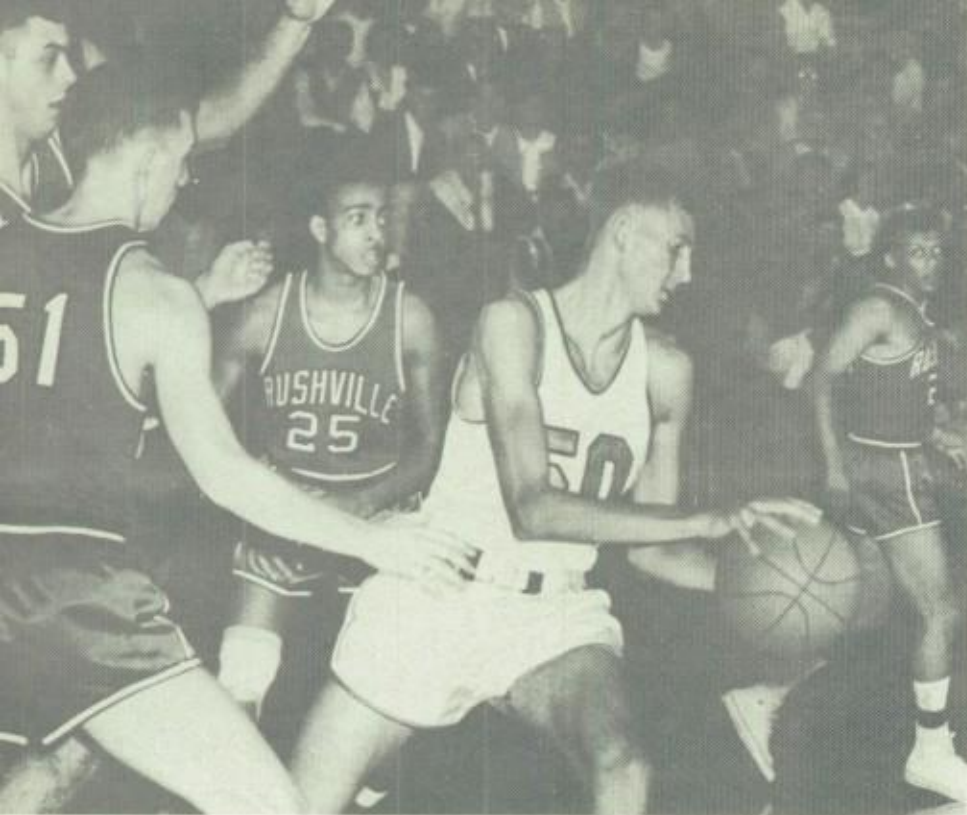

Blind stirs up emotion.

KIWANIS

This year the Kiwanis Award was given to Dale Kesterman, senior fullback. The Kiwanis Award, highest honor which can be bestowed upon a Shelbyville High School football player, is based upon athletic ability, academic achievement, and attitude.

Dale, a two-year letterman who started on both offense and defense this year, is noted for his fierce determination. He participates in many extracurricular activities including Concessions, Cheer Block, Student Council, and Squib Staff.

In addition to winning the Kiwanis Award, Dale was elected one of the co-captains of the team.

Outstanding Athletes Honored

SPECIAL AWARDS

The football players pictured (right) received special recognition for their playing ability. S.H.S. was proud to have one boy, Robbie Phillips (not pictured), named to the All-Conference first team. Four boys received All-Conference honorable mention. They were Richard Miller, Denny Fox, Mike Chafee, and Vic Montgomery. Mike Chafee and Denny Fox also received All-State honorable mention. Dale Kesterman won the Kiwanis Award; Robbie Phillips was voted most valuable player and Vic Montgomery was voted best lineman.

Zimny is proud of his boys.

PAUL CROSS AWARD

The Paul Cross Award is presented each year to a basketball player or players who are chosen on the basis of ability, loyalty to school, sportsmanship, and training. The award was founded by the late Reverend S. J. Cross in honor of his son, Paul, who was the first Shelby County boy to die in World War I.

The winner of the award had not been chosen as the Squib went to press, and will not be known until the Awards Day Program in the spring.

Mike launches shot.

TRACK

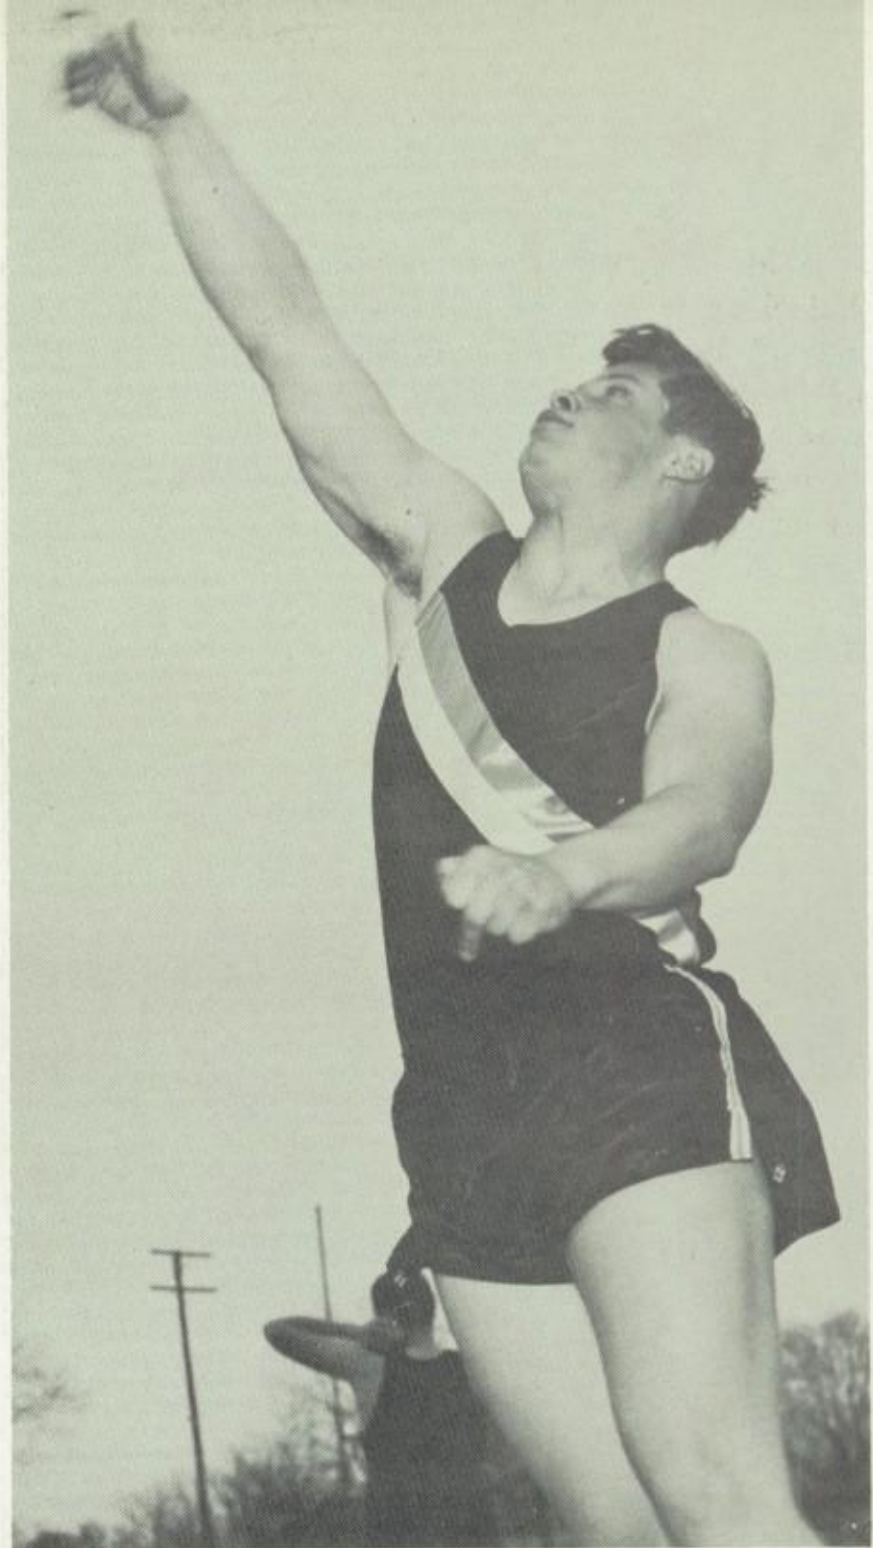

This year's track team is expected to be much improved over recent years. Coach Robert Zimny is looking for fine performances from his returning lettermen and other boys newly out for the sport.

Track is an individual sport, requiring one to be in the best physical shape possible to undergo the strains of the sport.

Shelby started the season off in grand style by defeating Edinburg 56-1/3 to 52-2/3.

With an experienced crew returning, the baseball team is looking forward to the coming season with eager anticipation. Among the returning lettermen is Paul Hignite who was the leading hitter with a .320 average last season.

In a unique tourney which determined the S. C. C. standings, Shelbyville lost one game and by virtue of this finished 5th in the conference. The Bears play in two tourneys this year; the Columbus Invitational and the South Central Conference Tourney.

CROSS COUNTRY

"When will it end?" This was the question cross country runners asked themselves while laboring over the two mile course. To be effective in this sport one must train for stamina and endurance. To get in the best possible shape, the athletes run several miles each day and work out with weights.

This year's team, coached by Dennis Blind, made a credible showing and concluded the season by finishing 6th in the conference. Since most of the runners will be back next year, the team should be improved.

TENNIS

Tennis is a harder sport than most people realize. The members of the team usually wear out two or three pairs of tennis shoes during the course of the season.

A tie for second place in the conference tennis meet marked the end of a good fall season for Shelby's tennis team. The team, coached for the first time by Ray Beck made an impressive showing winning all of their matches in the fall. The team is young and should improve.

ATHLETIC DIRECTOR RETIRES

Frank Barnes has been a familiar person on Shelbyville's coaching staff since 1940. He began his career in the sports of Shelbyville as coach and has in the past 25 years worked his way up to the position of athletic director. The best example of his coaching days was when he led Shelbyville's basketball team to win the State Championship in 1947. Including the years that he had coached elsewhere, Mr. Barnes has been connected with sports for nearly 40 years.

The golf team made a fine showing this year finishing second in the conference behind the Columbus team. Golf is not a single season sport; matches are held both in the fall and spring. Golf is a game that requires patience, coordination, and practice with the reward being the satisfaction of mastering the game. S.H.S.'s team, coached by Frank Barnes, plays its home games at the local Elks Club course.

G. A. A.

Physical fitness is the by-word today, and S.H.S. girls are not strangers to exercise. Members of G.A.A. participate in basketball, baseball, volley ball, bowling, tumbling, and track. The club is active throughout the year and the large membership of the club attests to its popularity.

Sponsors of the club this year are Miss Verra Stillabower and Mrs. Loretta Greenlee. Officers are Manarda

Payne—president; Jenny McNeely—vice-president; Diane Skinner — secretary; Cheryl Wickliff — sports captain; Brenda Butler — point captain; and Linda Bullard — assistant point captain.

The purpose of the club is to increase the girls' sportsmanship and interest in sports. The girls also earn points for pins, letters, and plaques through their participation in the various events.

CHEERLEADERS

This year there were nine girls who did more than anyone to boost the spirit of our athletic teams. The cheerleaders, who gave their tears, smiles, and spare time toward the encouragement of our teams cannot be over rated. The girls, varsity and B-team cheerleaders, sponsored by Betty Ramey, could be found practicing yells in the Student Center almost every day.

Some of the more popular yells were: "We Will Win!" repeated three times with the accent on a different word each time; "You've got that ball, now go!" and "Hey, we need two!"

The activities of the Shelbyville High School Student Council this year included sponsoring the Homecoming ceremonies and the Fall Wind-Up Dance, selling directories, and hosting the annual open house. This year the Student Council sent representatives to the annual Student Council Convention held at Arlington High School. They also regulated the nomination of class officers, campaign posters, and speeches of the candidates, and

conducted the elections. The 34 members of the Student Council were led by Jerry Alexander, president. Other officers were Mickey Dellekamp, vice-president; Rosie Thieman, recording secretary; Dick Huber, treasurer; and Greg Moore, parliamentarian. The Student Council Executive Committee was composed of the officers of Student Council, class presidents, *Squib* editor, *Courier* editor and one elected representative from each class. Hi-Y Encourages Friendship and Sportsmanship

HI-Y

The Hi-Y is under new sponsorship this year, the sponsors being Mr. Coyner and Mr. Bass. This school year marks the fortieth anniversary of Hi-Y at Shelbyville High School. The local Hi-Y was organized on October 30, 1924. The purpose of Hi-Y is based on the belief that, "Youth is important, to itself and to the world." This years Hi-Y has shown this importance of youth in many different ways.

At the beginning of every week, devotions are given over the intercom by a Hi-Y member. The Hi-Y also helped with the presentation of the Thanksgiving and Easter programs to the student body. New members were initiated in an impressive candlelight service at the beginning of the year. A \$100 scholarship will be given this year to a graduating Hi-Y member. Last year's winner was Steve Jones.

SUNSHINE SOCIETY

The Sunshine Society is an organization in which the members have an opportunity to enrich their lives by helping others.

The District III Convention was held at SHS in October. Special entertainment was provided by the Show Group under the direction of Mr. Martin Schulz.

Various projects were introduced this year, such as the Sunshine Bulletin Board and the adoption of a Korean orphan, Jo Jung Hi. Different groups sold candy to raise contributions for the James Whitcomb Riley Hospital fund, and donated baskets of goods to the needy at

Christmas time. Social activities included decorating a Christmas tree, remembering the faculty with small gifts on holidays and holding the annual Mother-and-Daughter Tea in May.

The Senior Sunshine Society officers are Ann Cline, Pres.; Rosie Thieman, vice-pres.; Judy Haas, sec.; Shelby McRoberts, treas.

The Jr. Sunshine Society officers are Ruth Pritchard, pres.; Jackie Towns, vice-pres.; Mary Kuhn, sec-treas.

The Soph. Sunshine Society officers are Brenda Butler, pres.; Debbie Stine, vice-pres.; Nancy Dellekamp, sec-treas.

World-Wide Topics

FORUM

Sponsored by Mr. Ray Hinshaw, the 47 members of Forum met bi-weekly throughout the school year to discuss topics of current interest or concern at local, national, and international levels. Through discussion they learned to think seriously and clearly, express themselves forcefully, and to prepare themselves for voting and active participation in civic life.

The membership of Forum is restricted to juniors and seniors. The leadership group was chosen by the members of Forum by rating one another on the basis of participa-

tion, interest, knowledge of the subject, strength in arguments, respect, and preparation. This group then directs and leads the discussion tables, sponsors a series of meetings of the Discussion Groups each year, and presents discussions which are broadcasted over the radio station. Discussion Group is for the purpose of acquainting interested juniors and sophomores with Forum procedure and selecting new Forum members for the next year. The 1964-65 officers were Jerry Alexander, pres.; Steve Cherry, vice-pres.; Dan Karnowsky, treas.; Teresa McKenney, sec.

Broaden Student Knowledge

HONOR SOCIETY

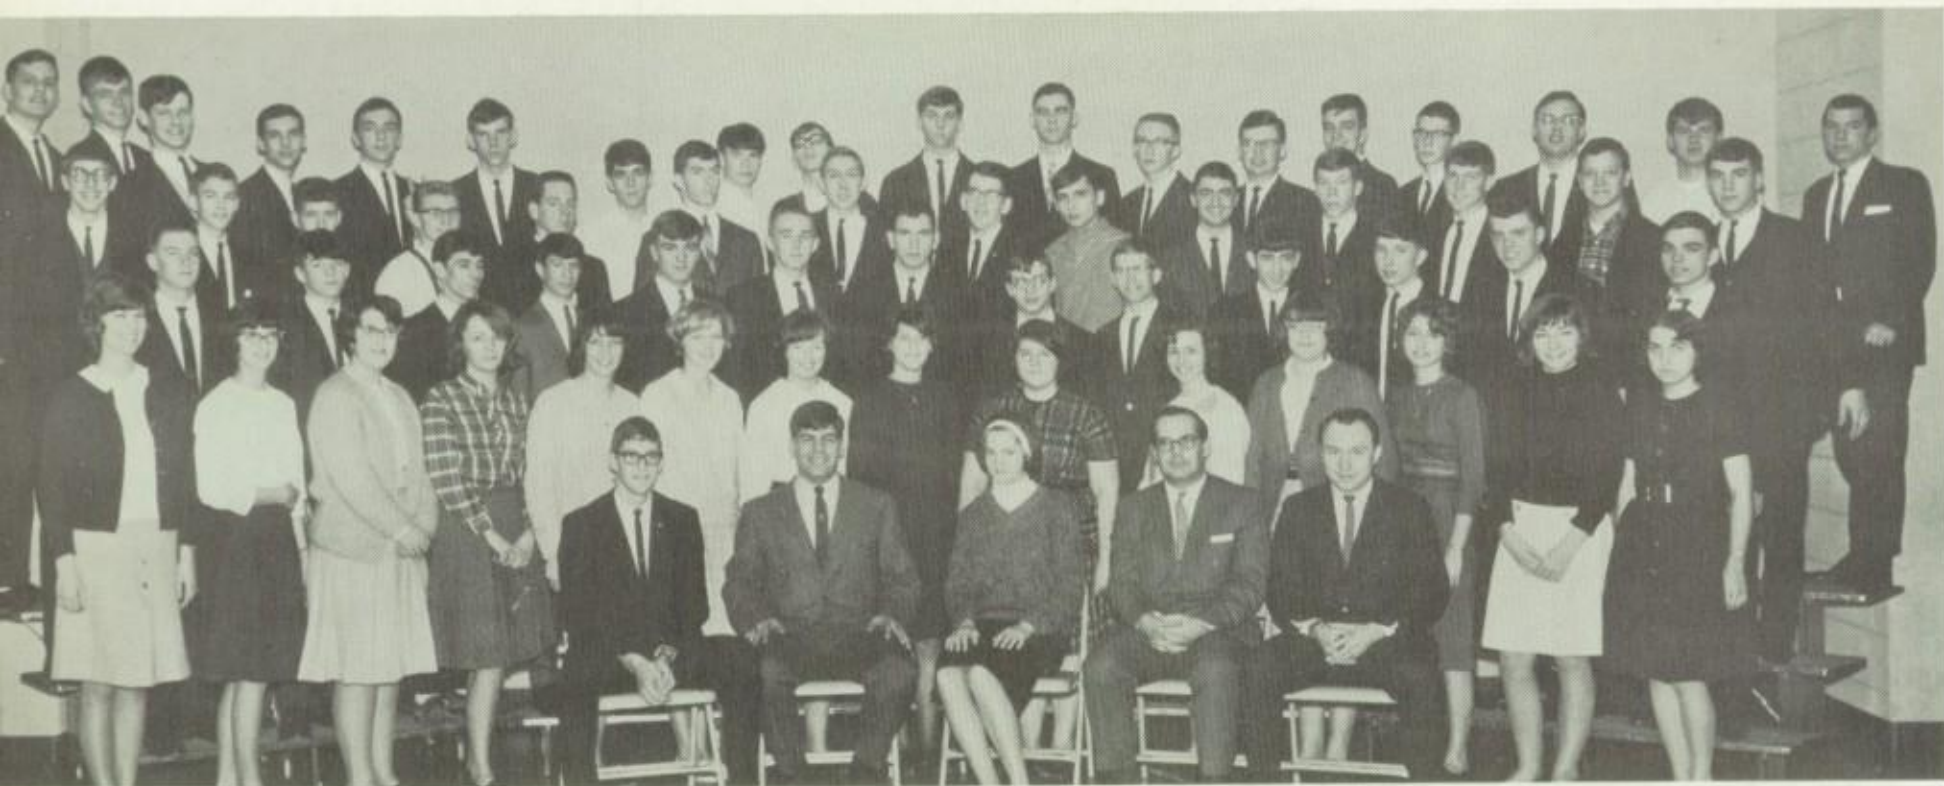

One of the greatest rewards of hard work during high school years is being chosen as a member of the National Honor Society. The Honor Society is composed of the upper 15% of the graduating class. Thirty-six members were chosen this year.

Once again this year the Honor Society held the annual dinner at the St. Joseph School on the evening of May 5.

Test Tubes vs. Radio Tubes

SCIENCE CLUB

The Science Club, which was reorganized this year, activated the second semester. The club, under the direction of Mr. William McKinley and Mr. William McFerran, saw films and slides of different science projects. The club witnessed special demonstrations by their two co-sponsors.

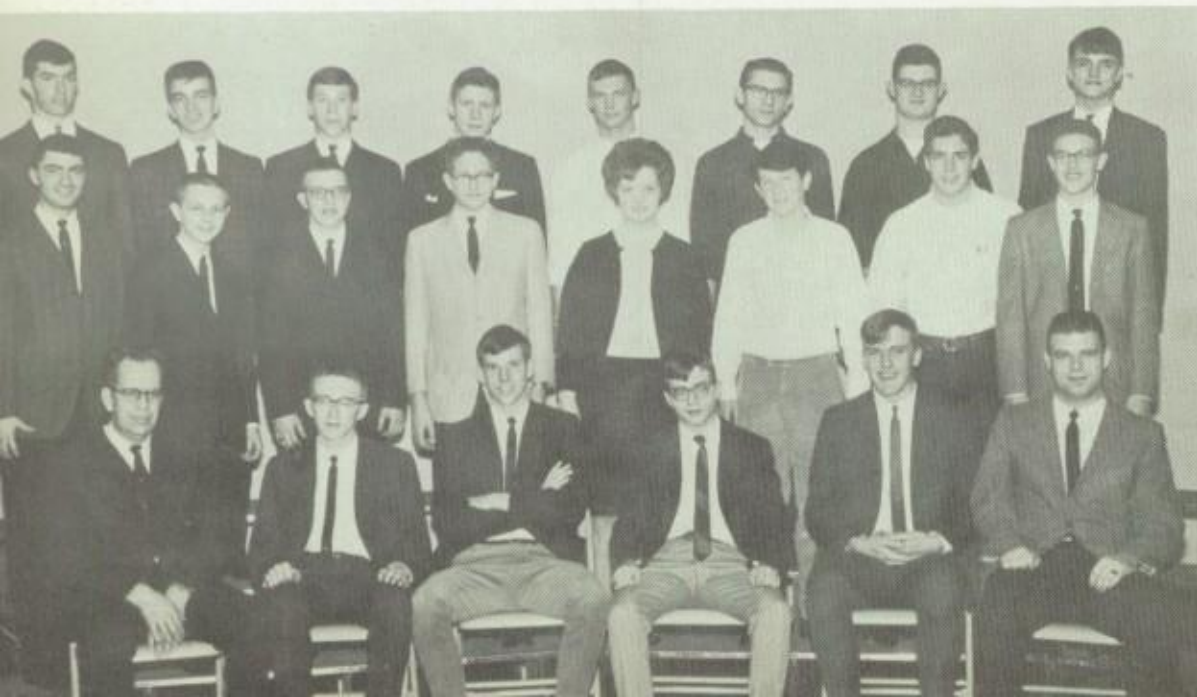

When the organization really gets going, it plans to take many interesting field trips. The purpose of this organization is to provide an opportunity for its members to study the practical application of scientific theories. Officers for this year were: Dan McCabe, president; Dan Karnowsky, vice-president; and Sally Horton, sec-treas.

RADIO CLUB

Under the direction of Mr. Melvin Davies, the radio club holds meetings for the purpose of helping students interested in amateur radio obtain their license.

At one meeting, the use of a phone patch was demonstrated to the members. At another meeting, Steve Eberhart explained the operation of radio controlled model airplanes and the kinds of circuits which the transmitters and receivers in the plane use. At a later meeting, Mr. Comstock was host to any interested radio club member who wished to tour his hamshack and see the operation of his equipment.

The 1964-65 officers are: president, John Fleming (WA9ALS); vice-president, James Hoff (WA9BSW); secretary, Mark McNeely; treasurer, Tom Debaun.

Learning as They Serve You

OFFICE GIRLS

Twenty girls, were chosen to work in the office or to assist in the offices of Mr. Clay, Mr. Strawn, Mr. Bass, and Mrs. Simpson. These girls contribute to the efficiency of the office.

Among the jobs performed by these girls were taking

dictation and transcribing letters, collecting attendance slips, operating the switchboard and answering the telephones, running errands, filing, recording test grades and a number of other odd jobs. This work prepared them for secretarial jobs and gave them practical experience in running an office.

Bonjour, Hola, Hello!

FRENCH CLUB

The activities of the French Club were highlighted by the club's visit to Indiana University to view the play *L'annonce Faite a Marie*.

The meetings, which were held bi-monthly, were conducted by president, Dan Karnowsky. The other officers were Jerry Bastin, vice-president; Ann Cline, treasurer; and Sally Sears, secretary.

The club strengthened the students' vocabularies while the students participated in games conducted in French. Committees, which were appointed to plan future meetings, tried to inform members of French customs and the history of the country.

Usually the members of the club have a picnic in May.

SPANISH CLUB

The Spanish Club, under the sponsorship of Mrs. Yolando Pinerio, is one of the newer organizations of S.H.S. The meetings are held at 7:00 on Monday evenings. The programs, planned by different committees for each meeting, enable the members to gain a more complete understanding of the habits, customs, and society of the people living in the spanish speaking countries.

In December the club members enjoyed a Christmas Party which had a South American atmosphere. Suspended from the ceiling of the student center, where the party was held, was a pinata. This decoration, constructed of cardboard boxes covered with crepe paper contained candies, party horns, and balloons. Each member had his turn swinging at the pinata with a stick.

This year's officers of the Spanish club were: pres., Greg Mings; vice-pres., Duane Skinner; sec., Don Wilson; and treas., Tim Joseph.

Roman Banquet Hi-lights Latin Club

LATIN CLUB

The Shelbyville unit of the Junior Classical League, an association formed to encourage study of the Greek and Roman civilizations, was organized in October, 1965, with a membership of eighty-five members, either present or former students of Latin.

Principal events of the year were the initiation arranged as a trip to Hades, a dinner meeting on the Ides of March with all guests in Roman garb, and the state convention at Clowes Hall, March 27.

"Et tu, Mrs. Kelley" says Chris Rehme at the Latin Club banquet.

Today's Students Become Acquainted

FUTURE TEACHERS

Cadet teachers discovered that elementary students are confronted with just as many problems and responsibilities as high school students. Cadet teaching is just one of the many opportunities offered by the club to familiarize would-be teachers with the teaching profession.

Rosie Thieman, president of the club; Jackie Towns, vice-president; and Nisha Thomas, secretary-treasurer, provided the members with programs consisting of interviews with and speeches by foreign teachers, college students, and members of the faculty.

FUTURE NURSES

Junior and Senior girls who are interested in the nursing profession are given a chance to experience some of the duties of this profession through Future Nurses Club. The members, guided by Mrs. Kimmey and Mrs. Webster, met once a month to hear different lectures. Officers Marsha Thomas, president; Judy Haas, vice-president; Vickie Livingston, secretary; and Mona Clark, treasurer, provided the club with leadership. Again this year the Future Nurses Club gave its members the chance to work at the Major Hospital.

With Tomorrow's Occupations

F. F. A.

The jolly green giant is not the only one who is concerned with corn, beans, and artichokes. The members of our agriculture club, who are sponsored by Mr. Garnet Winchester, are striving to learn new methods and to improve on the old ones in order to be the producers of tomorrow.

The club's income is provided by the selling of seeds.

The club is helpful to the community in many ways. Last fall the club livened our downtown circle by surrounding the utility poles with corn shocks.

The officers of the club were: president, John Kincade; vice-president, John Jordan; secretary, Gary Doremus; treasurer, Emerson Loggan; reporter, Robert Orosco.

LIBRARY CLUB

The library club is made up of the girls who serve as aids during the day in the library.

At the beginning of the year, the girls held a tea for the teachers, where they gave small talks on their duties in the library. The aids also had a get-acquainted supper at the first of the year, then later held a Christmas Party. At the close of the school year, they had a picnic.

Whenever anyone needs a magazine or any kind of help, the aids are always glad to assist.

The officers for the year were: President, Pepper Higgins; vice-president, Linda Goodrich first semester; Carol Keckler, vice-president second semester; Sec., Linda Smith; sponsor, Mrs. Olive Kinsley.

CHEER BLOCK

Whether it was a football game or a basketball game, the boys in the Cheer Block were there backing the Bears on to victory. Dressed in white shirts, the boys formed a block for both the home games and the sectional tournament. For the first time this year, the members of the Cheer Block traveled to away games on the Booster Bus. The officers for the 1964-65 year were: Vic Montgomery, president; Chris Rehme, vice-pres.; Greg Moore, secretary-treasurer.

The yells introduced at games were of an unusual nature, but the Cheer Block always made their point clear—that they were backing the Bears all the way to V-I-C-T-O-R-Y.

Winning or losing? Members of the Girls Booster Club show mixed emotions during an S.H.S. basketball game.

BOOSTER CLUB

Cheering and chanting, the Booster Club backed the Golden Bears to victory and supported them loyally when they met defeat.

Each game day, the club distributed signs to the students; while posters lined the walls of the building. Hoops were covered by members of the club to give the team an initial boost as they tore through them before each game.

Pep sessions served both to boost the team's morale and to prepare the members for the games.

The 180 members of the club were led by officers: Jenny Jo McNeely, president; Pam Beck, treasurer; and Cindy Haehl, secretary.

The club was a popular one which provided fun and entertainment for all its members. At each game, the Booster Club was as determined as the team to be victorious.

S For Shelby – S For Scholarship

S CLUB

The S Club is formed by boys who have received a varsity letter and attained a scholastic average of 85.

The purposes of the organization are to promote fair play on the field and high scholastic achievement in the classroom.

These boys are in charge of the concessions at all home football games. Other activities of the club are the candle-light initiation and post-initiation dinner for members and other persons who promote sports in the Shelbyville City Schools.

N. A. S. S.

The purpose of the National Athletic Scholarship Society is to give recognition to those boys who excel both in athletics and scholarship. To be eligible for N.A.S.S., a boy must have received a varsity "S" in one of the few major sports, or two letters in a minor sport and carry at least an 87 per cent scholastic average. New members are announced each year at the annual Spring Awards Day Program.

MASK AND DAGGER

Mask and Dagger, which is in its sixth year, has its greatest membership this year. Under the direction of Mr. Kocher and Steve Cherry, president, Mask and Dagger again presented three-one act plays in the Pearson School Gym. "Tell It To Tommy" consisted of an all male cast and was directed by Steve. Members of the cast were, Mike Coper, Greg Hall, Gary Delap, Mike Lindsey, and John Kehl.

Mr. Kocher directed "Never Trust a Man," starring Kathy Haas, Bonnie Schneider, Ruth Pritchard, Judy Mullins, Kathy Nally, and Susan DePrez.

Sharon Russel, Pam Beck, Emilou Eck, and Brian Barlow filled the roles in "Golden Slippers," which was also directed by Mr. Kocher.

Cast of "Tell It To Tommy" gets ready to "go on."

Show Group and Stars Shine

SHOW GROUP

This has been another fine year for Mr. Martin Schulz's Show Group. For the first time in its history the local show group presented a paid community performance at the Loper Gym. The Show Group consisted of some 25 boys, and the singing stars plus a few special acts not connected with the vocal part of the program. The acts varied from gymnastics to doll dances to ensembles. The high points for the Show Group were their annual visits to the Veteran Hospital and their dinner party at the end of the year designed to reward them for their outstanding work. The officers for the 1964-65 Show Group were Dan Karnowsky, pres.; Jean Metz, vice-pres.; Jeni Sleeth, sec-treas.; Rick Miller, librarian; Penny Ivie, accompanist.

SINGING STARS

It was another fine year for the 23 vocalists of Mr. Schulz. Attired in their royal blue heels and dresses, the Stars again won first divisions in the District Contest and swept another first in the State Contest held at Butler University. The Singing Stars performed for many school activities and they also made many special appearances. The officers for the 1964-65 year were: Bonnie Schneider, pres.; Susan DePrez, vice-pres.; Vicki Daniels, sec-treas.; Jenni Sleeth, librarian; Penny Ivie, accompanist. With only a small portion of the Stars graduating this year, next year should be fabulous also.

Choir Proves "Practice Makes Perfect"

ROBED CHOIR

This year's robed choir, under the direction of Mr. Martin Schulz, served to display the musical talents of many S.H.S. students. Adding to the appearance of the choir were the new Sierra blue robes, which were purchased this year.

The choir entertained at several public functions including the annual Zanta Christmas Sing, the Sacred Concert and the May Festival.

With the termination of the school year, Mr. Schulz's role as musical director will come to an end. We all praise and congratulate him on a job well done.

Musical Notes Brighten the Day

BOYS' GLEE CLUB

A first division in both the District Contest and the State Contest was the highlight for the Boys' Glee Club this year. The Glee Club, under the direction of Mr. Martin Schulz, met every Wednesday morning at 7:45. The boys participate in many school programs including the Thanksgiving and Christmas programs, the Sacred Concert, and the May Festival. The officers for the year were Greg Hall, president; Jack Hignite, vice-president; Tom Stansifer, treas.; Dan Karnowsky, librarian; and Richard Gray, accompanist.

DANCE BAND

The S.H.S. Dance Band is composed of 14 members chosen out of the High School Band. This year's Dance Band placed a first in the District Solo and Ensemble Contest. Their weekly Wednesday practice prepared the Dance Band for their two outstanding performances, the annual band concert and May Festival. The 1964-65 Dance Band was directed by Mr. Gerry Myers, S.H.S. band director.

Hi-stepping Shelbyettes Lead The Band

S.H.S. BAND

Under the direction of Gerry Myers, the 68 members of the S.H.S. High School band performed at school functions and finaled at the "Spring Varieties."

Off to an early start last summer, new director Gerry Myers, and his band members practiced daily, come rain, storm, or 100° F. weather. Now with two second place trophies and a highly successful season behind them, the band members feel that all their efforts have been rewarded.

The band members performed at all S.H.S. football and basketball games. The majorettes, under direction of drum majorettes, Mickey Dellekamp and Nisha Thomas, performed special shows which were newly organized each week.

Another new feature of the band this year was the Band Council. Jon Ramey, captain of the band, led the members of the council; Tom Stansifer, Dave Longstreet, Charlotte Elison, Cindy Haehl, Debbie Stine, Wally Morris, Nisha Thomas, and Michele Dellekamp in deciding the policies, rules, and general behavior of the band.

"We Carry The News To You"

COURIER

Who, when, what, where, and why are all questions that each **Courier** member must answer when writing articles for the school newspaper.

The growth of the **Courier** can be noted by the need for a permanent staff, which was newly organized this year.

The paper, which is published bi-monthly, carries the news to its subscribers and once a year it presents the **Scourier**, which contains fictitious articles of S.H.S. students and faculty members.

Janet Grigsby, the **Courier** editor, received her training from the annual High School Journalism Institute held at Indiana University during the summer. Jerry Alexander serves as the assistant editor, while Mr. Allan Coyner is the sponsor of the entire staff.

The staff, desiring to give the **Courier** a new image, has changed its size and style. Supplying more pictures has been one of the devices used by the staff to spur **Courier** sales.

Girls Prepare For Roles As Future Homemakers

HOME ECONOMICS CLUB

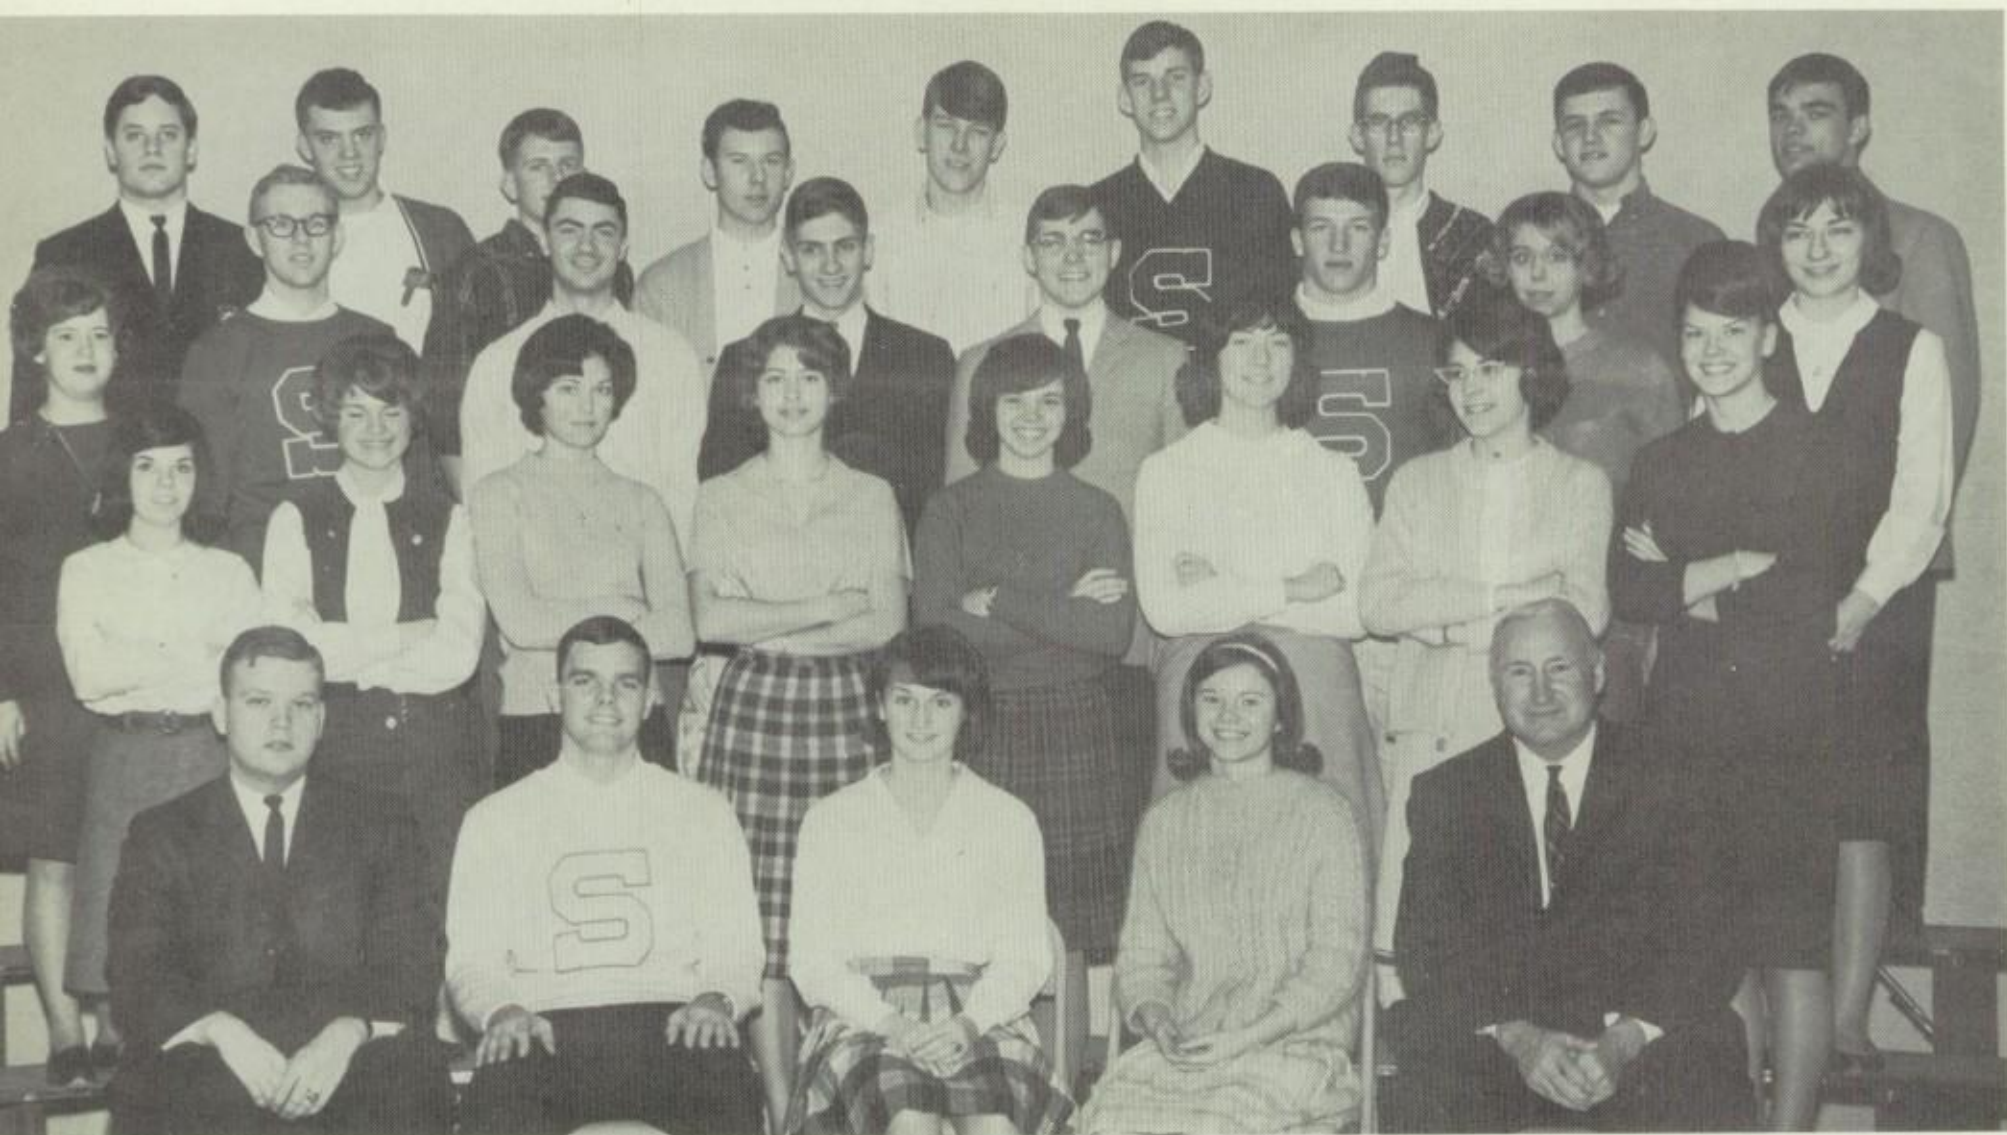

S.H.S. students find it difficult to concentrate on their history, math, and science when the aroma of cookies and cakes reminds them that lunch time is approaching. Many times it is not the school cafeteria which is tempting the students but Miss Bodem's cooking classes.

The Home Economics classes learn various skills and techniques which are essential in cooking, sewing, child care, and home management. Closely affiliated with the Home Economics courses is the Home Economics club. The sponsor of the club, Miss Jessie Bodem, strives to give the girls training which will benefit them in their future life. The club's annual project is the Faculty Christmas Tea. The club also sponsors various money making projects.

Darlene Sparks serves as president. Nancy Cockerham is vice-president, while Mary Purtlebaugh holds the office of sec.-treas. This year the club boasted a membership of 20.

Home Economics Club members get some first hand experience in dining room etiquette.

Selling Popcorn and Squibs Go Hand In Hand

A Boys' Cheer Block member gets a "five-finger discount" on his coke from Concessionaires Ann Cline and Pat Williams.

SQUIB STAFF

Since the editing of the **Squib** is their class project, the seniors consider it an honor to be a member of the **Squib** staff.

It takes a lot of hard work and knowledge to edit the **Squib**. The editor-in-chief, Teresa McKenney, was chosen early; and she attended the editor's workshop at Indiana University for two weeks in August so that she would be prepared to instruct the other members of the staff.

Through the co-operation of the faculty and custodians, the **Squib** staff has been able to spend many long hours after school and on Saturdays working on layouts and copyblocks. Even though there were many trips to the coke machine, the bakery, and the grocery store, the work was still completed—Somehow! Though members enjoyed working together, they were glad when the last deadline was met.

CONCESSIONS

Each year members of the **Squib** Staff and interested seniors handle the concessions at all home basketball games. Rick Miller, business manager of the **Squib**, headed the concessions workers.

This year concession stands were placed in the four upper corners of the gym for the convenience of the customers; and in case customers didn't feel like walking, there were always plenty of pretty seniors girls on the floor. Concessions helped finance the **Squib**.

Manarda Payne, President of the girls in Concessions, decided on the dress that was to be worn at the games. Black and yellow aprons were used to protect the girls from the splatter of coke.

In Closing . . .

Now that the 1965 *Squib* is completed and in the hands of you, the reader, the members of the *Squib* Staff would like to thank the people who have helped to make the publication of this book possible.

Our gratitude goes to Mr. John Coomer, our adviser, who has allowed us to make the yearbook a student project. We also wish to express our appreciation to Mr. Arthur Barnett, who helped the Concessionaires raise funds for the *Squib*. To Qualityprint, Chafee's Studio, the Shelbyville News, and Smithcraft Cover Company go many thanks.

Many long hours and much hard work has gone into the 1965 *Squib*. The staff sincerely hopes you'll enjoy looking through its pages and remembering Shelbyville High School days.

The 1965 *Squib* Staff

To Denise -

Thanks alot for saving all this space for me - I'll try and fill it-- I'll put down a bunch of Tickle-yable.

I really don't want to say what everyone else says - but I got to admit you are cute, neat, etc. etc. I really hope you and Mick come out on top (not that way!). Maybe sometime he'll come on time. But don't worry - he's cute enough to wait for. Hope you can come up plenty this summer and meet the boys. Hope I can come down to your giant town (if you'll let me) and meet your ---. Well I don't know what else to say.

Good Luck with everyone (boys especially). Stay cute & all that stuff. Well gotta go now.

Love Ya Your Best Friend (maybe)
